

HANDS
Dudley, MA

THEY PLANNED FOR THEIR FUTURES.

How could they have predicted today's excessive heating costs or the uncertainty of their retirement funds?

HANDS (*Helping Address the Needs of Dudley's Seniors*) is here to help Dudley Seniors whose good planning is no longer enough to meet their monthly expenses. HANDS will provide aid for those who qualify, through grants paid directly to utility, gas and oil suppliers. But we need **YOUR HELP** in order to help our neighbors as another winter knocks at our doors.

By becoming a helping HAND, you are helping us help Dudley's seniors!!!

The HANDS Group is looking for friends and families to donate to **HANDS**. Please join us *now* by sending back this coupon with your donation to the address indicated on the coupon. No donation is too small. Every donation, regardless of amount, is a tremendous help.

Yes! Sign me up to be a helping HAND!
